End-to-end logistics fulfilment and customs clearance

1   Outsource with peace of mind

Drawing on our expertise in customs compliance, cross-border trade facilitation, and we provide a stress-free import experience for your business. Outsource with confidence.

2   Proven track record clearing high-volume eCommerce shipments

With over 40 million parcels processed and shipped, we have the global coverage and extensive localized knowledge to help you with your imports. We are dedicated to helping you overcome logistics and customs clearance challenges.

3   Enjoy 30% savings

We utilize a unified digital filing service under Section 321 Type 86, to accelerate Customs clearance for eCommerce purchases valued at US$800 or less, eliminating taxes and duties. This ensures faster processing and expedited release of goods, ideal for high-volume needs. You'll also enjoy affordable rates compared to express companies.

4   Enhanced connectivity within the U.S.

With access to three international airports: LAX, JFK, ORD in addition to two of US' busiest ports – the Port of Los Angeles and the Port of Long Beach, we are well situated for your business expansion. Once your cargo has hit American shores, we're also ready with ground handling services, warehousing and fulfillment, and last-mile delivery via trucking.
